

UDOT Region 2 Construction Update – August 28, 2008

Salt Lake, Summit and Tooele Counties

UDOT safety message: If you're planning a road trip this weekend, remember that every person behind the wheel has a responsibility to drive safely. Before you get behind the wheel ask yourself a few questions:

- Am I too tired to be driving?
- Will I be distracted by the radio, cell phone or other distractions?
- Am I feeling too angry or upset to drive?
- Have I taken any substances that might impair my driving ability?
- Will I wear my seatbelt and make sure all of my passengers buckle up, too?

The best way to survive a crash is to prevent it from happening in the first place. For more information see www.zerofatalities.com

*The following information outlines UDOT Region 2 road construction and maintenance activities that will result in traffic delays or road closures. **For your convenience, new information and upcoming traffic impacts appear in red text on the hard copy. Short term, continuing impacts are listed in green.** To get additional information on these and other Region 2 projects in Salt Lake, Tooele and Summit County, visit www.udot.utah.gov and click on "Projects and Studies."

***All work schedules are subject to changes due to weather, emergency or equipment issues.**

**UDOT CREWS WILL BE OFF THE PROJECTS DURING THE LABOR DAY HOLIDAY WEEKEND.
SOME EMERGENCY REPAIR MAY TAKE PLACE.**

Salt Lake County

FREEWAY PROJECTS

Interstate 15

I-15, 9000 SOUTH TO 10600 SOUTH, LANE ADDITION

UPCOMING

WHERE: Southbound I-15 between 9000 South and 10000 South
WHEN: 8 p.m. Saturday, Sept. 6, through Sunday, Sept. 7, at 1 p.m.
WHAT: restricted to two lanes
WHY: Widening operations

WHERE: Northbound I-15 between 11400 South and 10000 South
WHEN: Saturday, Sept. 6, through 1 p.m. Sunday, Sept. 7,
WHAT: Two northbound lanes open
WHY: Widening operations

NOTE: Weekend of Sept 13-14, prepare for full ramp closures and restrictions to 1 lane on southbound I-15 near the I-215 Interchange

CONTINUING

WHERE: Beneath the 10000 South Bridge structure
WHEN: Weekdays during daylight hours
WHAT: Watch for intermittent shoulder closures and lane shifts.
WHY: Crews are working on side walls under the structure

ONGOING

WHERE: I-15 from 9000 South to 10600 South & southbound I-15 near the I-215 Collector
WHEN: Weekdays during off-peak hours with some night and weekend work as needed through late October

WHAT: --Daytime work is taking place on the shoulders with little impact to traffic
--Nighttime work requires multiple lane closures
WHY: --Beginning in August crews will move to the southbound I-215 interchange
Crews are adding an auxiliary lane on southbound I-15 from 9000 South to 10600 South, widen the bridge at 10000 South, and improve the ramp configuration on southbound I-15 near the I-215 collector.
NOTE: -- Please use caution and pay attention to your surroundings when traveling through the work zone. Traffic flows can slow abruptly.
CONTACT: Carlye at 970-0895, or by email at i-15@hwlochner.com
M. Farah -2590

Interstate 80

I-80, STATE STREET TO 1300 EAST, LANE ADDITIONS & BRIDGE REPLACEMENT

CONTINUING

WHERE: 700 East westbound off-ramp from I-80
WHEN: Through early October
WHAT: 700 East off ramp closes, State Street off ramp opens
WHY: Ramp and bridge deck work

WHERE: 1300 East loop ramp to I-80 westbound
WHEN: Currently through early winter
NOTE: Safety issues involving the merge into I-80 traffic
WHAT: Full closure
WHY: Clean-up and rehab of ramp surface

WHERE: Highland Drive, 900 East, 700 East, 600 East, 500 East & 300 East
WHEN: Currently and ongoing
WHAT: All cross streets are open beneath the I-80 bridges
NOTE: Watch for intermittent flagging operations beneath the I-80 bridges

WHERE: 700 East eastbound and westbound on-ramps to I-80
WHEN: Through fall
WHAT: Full closure
WHY: To facilitate construction of north side lanes

ONGOING

WHERE: I-80 from State Street to 1300 East
WHEN: Ongoing through fall 2009
WHAT: --Traffic has switched to the south side of the freeway with 3 lanes open during peak hours and 2 lanes open during off-peak hours.
--The 700 East eastbound and westbound on-ramps are closed until late fall, and the 700 East westbound off-ramp is closed.
WHY: This project adds one general purpose lane in each direction throughout the corridor and auxiliary lanes, from interchange to interchange, on I-80 between State Street and 1300 East. Full bridge replacements are scheduled for the 300 East, 500 East, 600 East, 900 East and Highland Drive structures, with a bridge deck replacement planned at State Street.

NOTE: --Please use caution and pay attention to your surroundings when traveling through the work zone. Traffic flows can slow abruptly.
--Oversized loads are restricted through the area. Due to narrowed lanes, large truck traffic is encouraged to use an alternate route.
--Watch for construction vehicles entering and exiting the construction zone.
--**Slow down!** UHP has now issued more than more than 400 traffic citations for speeding in the I-80 work zone since mid March. Fines for speeding in this area have been enhanced.

CONTACT: Carlye at the project hotline, (888) 718-1069, by email, i-80@hwlochner.com, or visit the project Website, www.udot.utah.gov/i-80
J. Montoya -2215

I-80, LAMBS CANYON & MT. DELL, BRIDGE REPLACEMENTS

UPCOMING

WHERE: I-80 from west of Mt. Dell to east of Lambs Canyon
WHEN: Early September
WHAT: I-80 eastbound and westbound restricted to 1 lane
WHY: Smoothing approach slabs to the new bridges

WHERE: I-80 eastbound from Mt. Dell to Lamb's Canyon
WHEN: Tuesday September 3 at 9 p.m. through the night
Wednesday September
WHAT: Restricted to one lane both directions at night
Restricted to two lanes both directions during daylight
WHY: Finish work

CONTINUING:

WHERE: Mt. Dell Interchange
WHEN: Currently through mid September
WHAT: Open for holiday; full closure next week
NOTE: Detour at Parleys Summit

Using accelerated bridge construction techniques, UDOT has removed and replaced four bridges in Parleys Canyon in two 24 hour periods. Demolition and replacement through traditional methods would have required several months of closures with significant backing on I-80 in the canyon.

CONTACT: The Innovate 80 Team at Project Hotline, (888) I80-UDOT, by email, innovate80@utah.gov, or visit the project Website, www.udot.utah.gov/innovate80
D. Mayhew -2580

I-80, KIMBALL JUNCTION TO SILVER CREEK JUNCTION, LANE ADDITION

CONTINUING

WHERE: I-80 at Kimball Junction
WHEN: Nights, through August
WHAT: I-80 intermittent lane closures
WHY: Paving operations – no delay anticipated

WHERE: Highland Drive under I-80 in Summit County
WHEN: Weekdays, 7 a.m. to 6 p.m. through August
WHAT: Full closure of Highland Drive beneath the I-80 structure
WHY: Preparation for bridge expansion

NOTE: For your safety, the underpass is closed to bicyclists, foot traffic and vehicles. Please use the underpass .5 miles west of Highland Drive as an alternate route.

ONGOING

WHERE: I-80/US 40 merge
WHEN: Ongoing through early fall
WHAT: I-80 westbound restricted to 1 lane just prior to the US 40 merge
WHY: To facilitate a safe merge

WHERE: I-80 from Kimball Junction to Silver Creek Junction
WHEN: Weekdays during daylight hours through early fall
WHAT: Traffic open to two 11-ft. lanes in each direction
WHY: This project will add 1 lane eastbound and westbound from Kimball Junction to Silver Creek Junction on I-80

CONTACT: The Innovate 80 Team at Project Hotline, (888) i80-udot, by email, innovate80@utah.gov, or visit the project Website, www.udot.utah.gov/innovate80

D. Mayhew -2580

I-80 WESTBOUND AT SILVER CREEK BRIDGE

WHERE: Westbound Silver Creek Bridge
WHEN: Tuesday September 2 through Saturday September 6
WHAT: Restricted to one lane, all hours
WHY: Waterproofing

Interstate 215

I-215 AND REDWOOD ROAD, BRIDGE OVERLAY

No activity – Crew has filled potholes and will return in late September for bridge overlay.
Daryl--2580

I-215 EAST AND 5800 SOUTH, BRIDGE OVERLAY

UPCOMING

WHERE: I-215 East and 5800 South Bridge
WHEN: Friday, September 5 from 8 p.m. to Monday, September 8 at 5 a.m.
WHAT: Two lanes will be open in both directions
WHY: Pothole patching to prepare for bridge overlay

Daryl--2580

I-215 EAST 3300 SOUTH BRIDGE, BRIDGE REPLACEMENT

WHERE: 3300 South at the I-215 Bridge
WHEN: Friday, August 22 through early September
WHAT: Full closure of 3300 South near I-215 East
WHY: Crews will complete the tie-ins for the new bridge, and prepare and stripe the roadway. Watch for shoulder work under the bridge on I-215

CONTACT: The Innovate 80 Team at Project Hotline, (888) i80-udot, by email, innovate80@utah.gov, or visit the project Website, www.udot.utah.gov/innovate80
D. Mayhew -2580

SR 201

SR 201; 9200 TO 6000 WEST

ONGOING

WHERE: 9200 West to 6000 West
WHEN: Non-peak daylight hours
WHAT: Paving is finished. Expect shoulder work and intermittent lane closures with minimal delay
WHY: Rumble strip placement, painting and signal loop repair
CONTACT: Rick -2537.

SR 201; 9200 TO 6000 WEST

UPCOMING: Cable barrier installation will start when resurfacing is complete. Expect lane and shoulder closures. M. Page-2530

SURFACE STREET PROJECTS

State Street

9000 AND STATE STREET INTERSECTION, VARIABLE LANE

WHERE: Intersection at 9000 S and State
WHEN: Now through late September

WHAT: Eastbound to southbound (right turn) lane closures during non-peak hours
WHY: Signals and signage added for variable lane

O. Lee -2191

UDOT will reconfigure the intersection at 9000 South and State Street to include a variable lane to accommodate two eastbound to southbound turn lanes when needed. A variable lane will improve the function of the intersection when right-turn traffic demand is high.

STATE STREET TRAX BRIDGE, 7800 SOUTH TO 8000 SOUTH, BRIDGE REPLACEMENT UPCOMING

WHEN: **State Street, 7800 South to 8000 South**
WHERE: Early September (Following completion of the 7800 South Intersection)
WHAT: Traffic will switch from southbound to northbound side of the roadway
WHY: To facilitate construction

CONTINUING

WHEN: **7800 South & State Street Intersection**
WHEN: Currently through September 4
WHAT: Full closure, east side ONLY of the 7800 South Intersection at State Street
NOTE: --Drivers cannot access State Street going west on 7800 South from EAST of the intersection.
--This closure will NOT effect traffic on State Street or access to State Street going east on 7800 South from west of the intersection
--All businesses are open in the closure area
WHY: Intersection reconstruction

ONGOING

WHERE: **State Street from 7800 South to 8000 South**
WHEN: Regular hours of operation are daily during daylight hours, with traffic control in place at all hours. Anticipated completion: Spring 2009
WHAT: The east lane will close August 18 through mid September. Watch for intermittent lane closures.
WHY: Signal work is being done. Reconstruction of the TRAX Bridge includes roadway reconstruction and widening, and drainage improvements.
NOTE: All businesses and business access are open in the area. **Please remember to support your local businesses during construction.**
CONTACT: Suzanne or Leah, 673-0774, by email TRAXBridge@comcast.net , or visit the project Website at www.udot.utah.gov/TRAXBridge
M. Farah -2590

STATE STREET, 9000 SOUTH TO 10600 SOUTH, RECONSTRUCTION

This project is substantially complete. Crews are returning to raise manholes and complete landscaping. Watch for intermittent single-lane closures.

CONTACT: For information contact Crystal at the project hotline, 1-888-569-4586, by email, state90-106@hwlochner.com , or visit the project Website www.udot.utah.gov/state90-106 .
M. Farah -2590

STATE STREET, 5440 SOUTH: PEDESTRIAN BRIDGE

ONGOING

WHERE: **State Street at Murray High**
WHEN: Sunday September 14 and 21, 7 a.m. to midnight
WHAT: Restricted to one lane in both directions
WHY: Crews will re-furbish the exterior of the pedestrian bridge

Contact: Pedestrian Bridge Project 801 703-1875

Redwood Road

REDWOOD ROAD, 10400 SOUTH TO 12600 SOUTH, RECONSTRUCTION

This project is substantially complete. Crews are returning to complete finish work, power hook-up and striping. Watch for:

- intermittent shoulder and single-lane closures
- An arrow board and a moving operation while striping is applied

CONTACT: For more information contact Lorraine, 597-2464, or visit the project Website, www.udot.utah.gov/redwood104to126
D. Schwartz -2092

SR 68, BANGERTER TO SARATOGA SPRINGS, WIDENING AND RECONSTRUCTION CONTINUING

WHERE: Redwood Road from Bangerter to 400 South in Saratoga Springs
WHEN: Currently
WHAT: --Watch for intermittent lane restrictions with flaggers
--Be prepared to stop
WHY: Crews are working at various locations along the roadway

WHERE: 10400 North at SR 68
WHEN: Beginning Monday, August 4 through November at all hours
WHAT: Full closure of 10400 South at SR 68 by Utah County
WHY: Safety during construction

ONGOING

WHERE: Redwood Road from Bangerter Highway to 400 South in Saratoga Springs
WHEN: Weekdays during daylight hours with anticipated completion in fall 2009
WHAT: --Watch for shoulder closures on northbound and southbound Redwood Road
--**Be prepared to stop for flagging operations as trucks and heavy equipment enter and leave the roadway through October**
WHY: This project will widen Redwood Road to 2 lanes in each direction with a center median, shoulders, bike lanes throughout and wildlife crossings in high-impact areas

NOTE: --Speed limits have been reduced to 45 mph in the project limits with fines doubled for violations
--Watch for trucks and heavy equipment entering and exiting the roadway. Be prepared to stop for flaggers.
--A wide load restriction is in effect. If you must travel through the area with a wide load please call ahead at 801-455-3116.

CONTACT: The SR-68 Public Information Team, 801-455-3116, by email at, sr68info@langdongroupinc.com, or visit the project Website at, www.udot.utah.gov/sr-68south

Wasatch Boulevard

WASATCH BOULEVARD, BIG TO LITTLE COTTONWOOD CANYON, RESURFACING

Watch for intermittent lane closures and shoulder work through early September
Farah -2590

WASATCH BOULEVARD, 6200 SOUTH TO I-215 EAST, RESURFACING

Watch for intermittent lane closures and shoulder work through early September
Farah -2590

VanWinkle Expressway

VANWINKLE EXPRESSWAY; 900 EAST TO I-215 EAST, REPAVING

Watch for intermittent lane closures and shoulder work through early September as crews complete finish work and apply striping.

CONTACT: **Project Hotline: (801) 526-6197**
 M. Page -2530

3300 South

3300 SOUTH, 700 W TO 1300 EAST, RESURFACING

WHERE: **3300 South, 700 West to State St.**
WHEN: Currently through August 8 during daylight hours
WHAT: Watch for intermittent lane and shoulder restrictions
WHY: Crews are lowering utilities and replacing
 pedestrian access ramps in preparation
 for resurfacing the roadway
WHERE: State Street to 700 E
WHEN: Tuesday September 2 through Thursday September 4
WHAT: Restricted to one lane each direction

WHY: Resurfacing

Paving is complete on eastbound lanes. Rotomilling is complete on southbound lanes. Southbound lanes will be paved through early September.

CONTACT: **Project Hotline: 800 278-4282**

5600 West

Canyons

GUARDSMAN'S PASS FROM PARK CITY BRIGHTON, OPEN

WHERE: **Guardsmen's Pass from Park City to Brighton**
WHEN: Currently through fall 2008
WHAT: Guardsman's Pass is fully open for the season, from Park City to Brighton.
WHY: Warmer temperatures have melted snow allowing crews to open the roadway.
 The road will close again this fall as weather makes the road impassable.
 D. Roberts -2350

MIRROR LAKE HIGHWAY (SR 150), OPEN

WHERE: **Mirror Lake Highway (SR 150)**
WHEN: Currently through fall 2008
WHAT: Mirror Lake Hwy is open for the season
WHY: Warmer temperatures have melted snow allowing crews to open the roadway.
 The road will close again this fall as weather makes the road impassable.
 T. Page 2370

EAST CANYON (SR 65), OPEN

WHERE: **East Canyon Road, SR 65**
WHEN: Currently through fall 2008
WHAT: East Canyon Road is open for the season
WHY: Warmer temperatures have melted snow allowing crews to open the roadway.
 The road will close again this fall as weather makes the road impassable.

LOCAL GOVERNMENT / PERMIT PROJECTS

The following projects are under the direction local governments with UDOT oversight or private projects that have received permits for work in UDOT right-of-way.

Bangerter Hwy, 7800 to 9000 S, Bridge Construction

The Utah Transit Authority (UTA) will construct a bridge over Bangerter Highway that will serve the Mid-Jordan TRAX line. This project requires a permit from UDOT.

For questions:

Toll- free: (888) 550-2211

E-mail: mid-jordanline@hwlochner.com

Or see: www.rideuta.com/projects/midjordanlightrail

ACCESS ROAD, SEWER DIST STATION ACCESS ROAD

ONGOING

WHERE: **1300 West and Bangerter Highway**
WHEN: Through mid September
WHAT: Westbound right lane closure
WHY: Crews are adding an access road for a sewer district station that will be built.
 Chad Walters, Newman Const. (801) 712-2900

WATER LINE REPLACEMENT, PERMIT PROJECT

ONGOING

WHERE: **South Little Cottonwood Road (9400 South) and Wasatch Blvd**
WHEN: Now through late September
WHAT: Full closure
WHY: Waterline replacement
CONTACT: **1-800-292-3557**

GAS LINE PLACEMENT, PERMIT PROJECT, QUESTAR GAS

ONGOING

WHERE: State Street, 3300 and 3500 South
CONTACT: Steve Chapman, Questar Gas, 801-324-5548
